

JOHN THUNE

★ U.S. SENATE ★

Dear Fellow Conservative,

Maybe I'm biased, but the state motto of South Dakota is the best of any state:

“Under God, the people rule.”

Because truly, all of us are “under God,” who is our Creator and who first gave to us our rights and our liberty.

After that, “the people rule.” Not kings. Not the government. Not the media, or big corporations or any other entity. *The people.*

It's been the South Dakota motto for over a hundred years, and let me tell you, I have done everything in my power to bring that sensibility to the United States Senate.

I'm John Thune, and I proudly serve South Dakota in Washington, bringing the people's voice to Capitol Hill and advocating our shared heartland values every day. Your name was forwarded to me as a particularly loyal and knowledgeable conservative, so I write you today with high hopes that you will join with me and help win some crucial fights over the next few months.

As Speaker of the House Nancy Pelosi leads her increasingly far-left Democrat Party on a reckless agenda of tax hikes, over-spending, and continual harassment of the administration, I am more determined than ever to put the brakes on the out-of-control liberal agenda and help to ensure that the government is responsive to the people of this country.

But I need help from conservatives like you.

You understand how disastrous it would be to let the Pelosi liberals impose their vision on America. Instead of “the people” ruling, we'd be ruled by a tiny group of left-wing bureaucrats, reporters, wealthy donors, and special interest groups.

So please take a moment right now to return the enclosed 2019 Annual Membership Statement along with your 2019 campaign gift of \$1,000, \$500, \$250, \$100, \$50 or \$25 today.

And please use the special envelope enclosed – to my personal attention – so I'll know immediately that you have made the important choice to join our team.

Over, please . . .

Not printed at government expense.

Because not only am I honored to represent South Dakotans in the Senate, I am proud to serve within the Republican Party's Senate Leadership team, and your support will mean a lot to me as I help guide our Party's efforts.

With Speaker Pelosi leading the House, there will be tough fights ahead on every issue you can think of, from taxes and spending to border security, agriculture policy, environmental regulations, the 2nd Amendment, and much more.

You can count on me to help unite all Republican Senators and promote a bold policy agenda that will keep moving our country forward in the right direction:

*** Keeping taxes low and helping small businesses;

*** Defending the 2nd Amendment;

*** Protecting life and religious liberty;

*** Slashing waste and harmful regulations; and,

*** Confirming more pro-Constitution conservative judges to our Federal Courts.

Because South Dakota's motto applies to our whole country. The people rule. And the people spoke in 2016. We can't let left-wing radicals overturn the results of an election that didn't go their way.

That's what I am fighting for every day, and why I hope you will stand with me in the important work ahead.

So please let me know you're on the Thune Team by returning your **2019 Annual Membership Statement** along with your generous annual gift in the next five days. It's comforting to me, knowing that I can rely on your support as I advance our heartland agenda in Washington.

I look forward to seeing your envelope on my desk in a few days.

Sincerely,

John Thune
United States Senator

P.S. You're a dedicated conservative who understands the threat posed by Speaker Pelosi and the far-left extremists in the House Democrat Caucus. So please complete your **2019 Annual Membership Statement** and return it to me along with your generous annual gift. Thanks again, for everything and God Bless you. – John
